

TOYOTA LAND CRUISER

Hardtop, Canvas Top, Vinyl Top, Pickup, Station Wagon

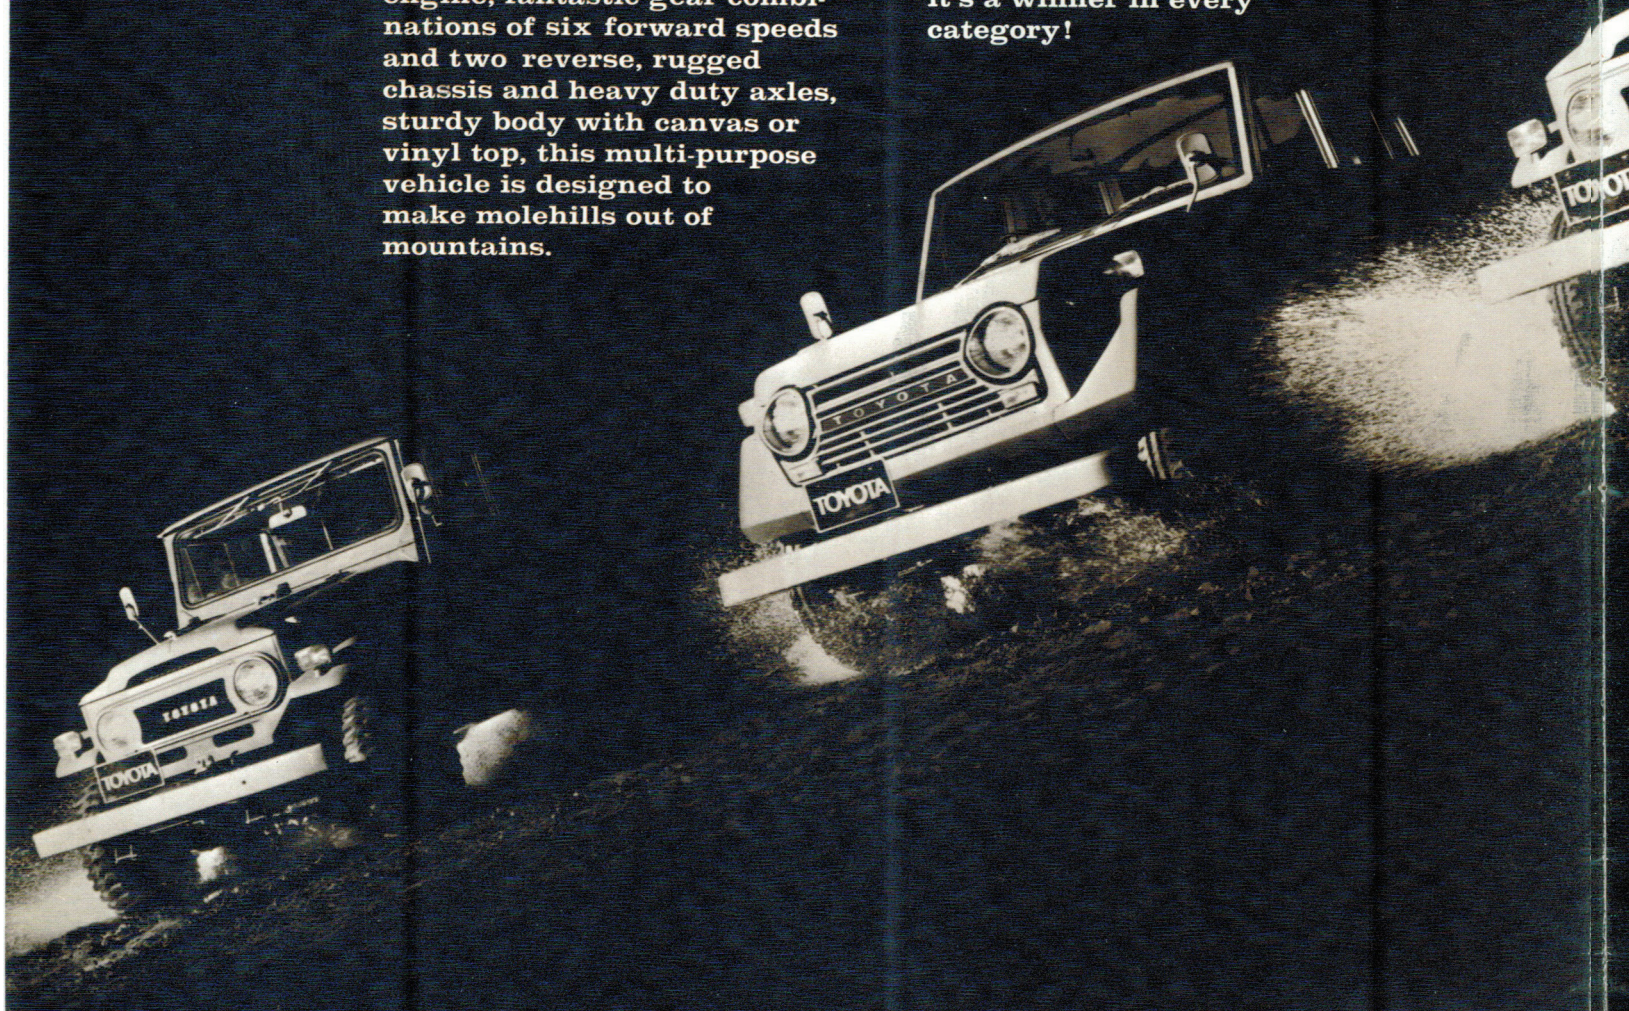

UNBEATABLE...

IN ANY WEATHER, OVER ANY SURFACE. TOYOTA LAND CRUISER... 4-WHEEL DRIVE

Lets you tackle everything the weather and terrain can dish out—mud, rocks, snow, ice, sand. Toyota Land Cruiser with 4-wheel drive takes the steepest slopes in stride, gets you where you want to go every time. With its robust 6-cylinder 155 HP engine, fantastic gear combinations of six forward speeds and two reverse, rugged chassis and heavy duty axles, sturdy body with canvas or vinyl top, this multi-purpose vehicle is designed to make molehills out of mountains.

You'll find the Toyota Land Cruiser ideal for all kinds of jobs—construction, forestry, engineering, surveying and exploring. And it doubles as a versatile family fun car, too. No wonder this vehicle's such a favorite all over the world—it's a winner in every category!

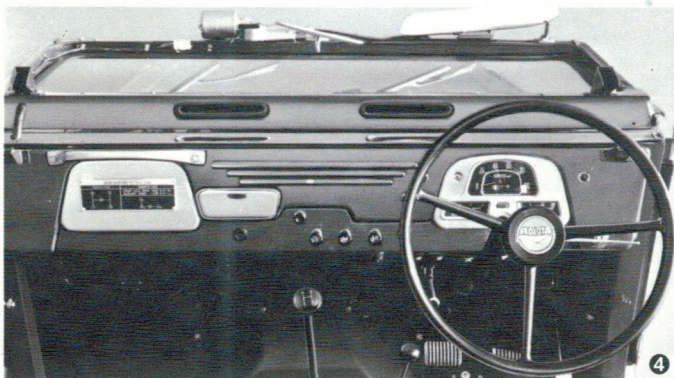

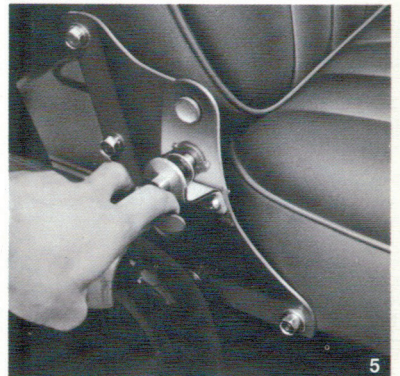

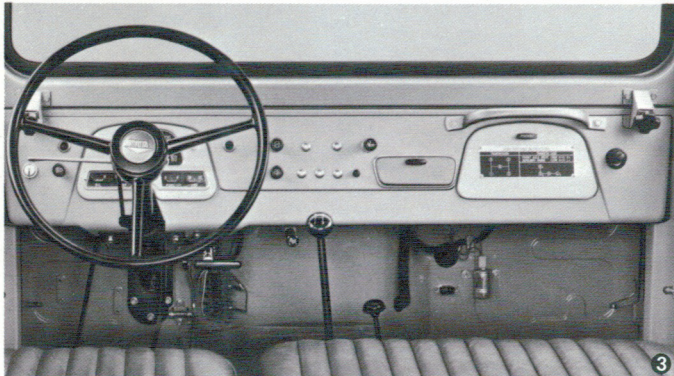

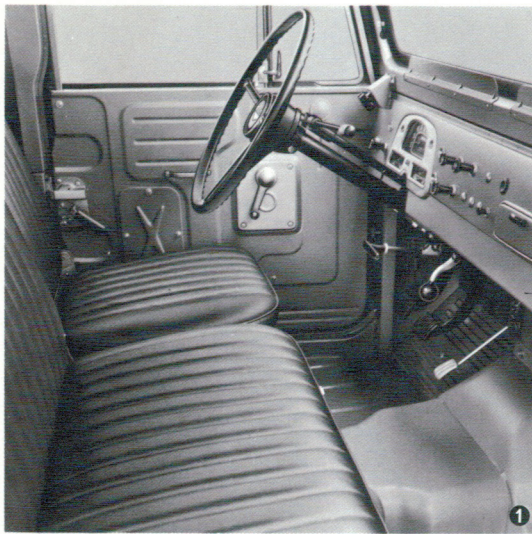

TOYOTA

TOYOTA

Hardtop

If you're looking for a tough, agile yet well-mannered vehicle, a Toyota Land Cruiser Hardtop's just the ticket. Its husky 6-cylinder 155 HP engine makes light work of anything you'll want to give it. The worst roads, the most impossible conditions won't bother this Hardtop at all. It's a necessity for getting to inaccessible construction sites, yet comfortable enough to use for family outings, shopping excursions, vacation camping trips. Brawny body construction, brute power, 4-wheel drive—all combined with comfort and safety features. What more could you want?

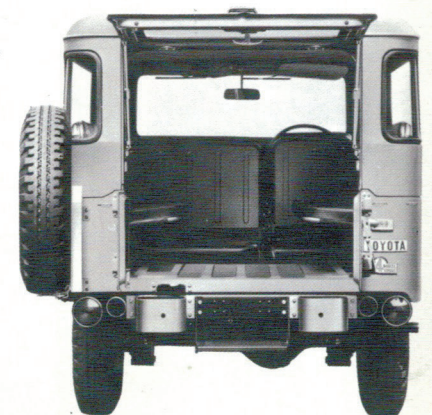

Interior features:

(1) Handsome vinyl leatherette seats; Transmission shift lever mounted on steering column; Transfer-case shift lever and 4-wheel drive operating lever, mounted in instrument panel; (on L.H.D. model).

(2) L.H.D. model with floor-mounted shift/4-wheel drive lever. (3) Easy-to-operate knobs and switches; Picture-identified knobs (on L.H.D. model). (4) Instrument panel on R.H.D. model. Windscreen frame tilts down flat. (5) Front seatbacks lock upright for safety.

(6) Catches for tilting windscreen.

Two types of rear gates are available—drop-down or swing-out type.

Canvas Top Vinyl Top

With the exception of the top material, the Toyota Land Cruiser Hardtop, Canvas Top and Vinyl Top are basically the same. However, a larger version is available in the Canvas Top model (FJ43) with a longer wheelbase (2430 mm. or 95.7 in.), a longer body (4230 mm. or 166.5 in.) and bigger interior dimensions. Both Vinyl Top and Canvas Top models have easy-to-handle tops that can be removed and stowed quickly. So you can enjoy topless driving when the weather's clear and warm. Seven passengers can ride in comfort and safety on vinyl upholstered seats.

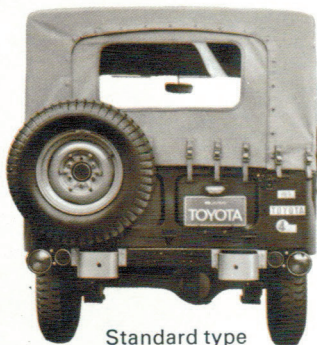

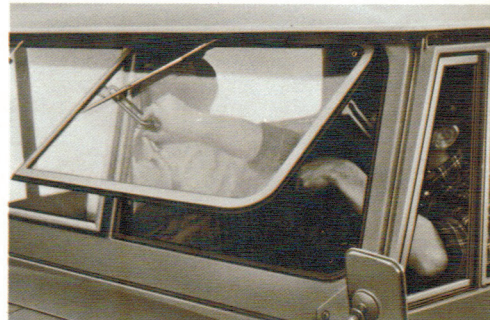

The instrument panel is designed for ease of operation. All control buttons have picture-symbol identification.

And outstanding durability makes the going great for years and years.

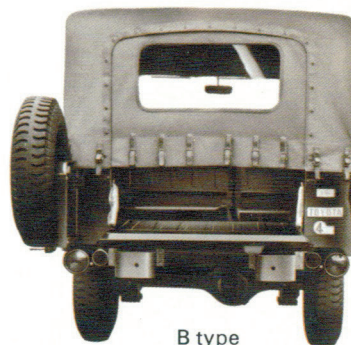

Optional top-hinged windscreen (push-open type) can be opened from the bottom.

Three different rear curtain/gate types:

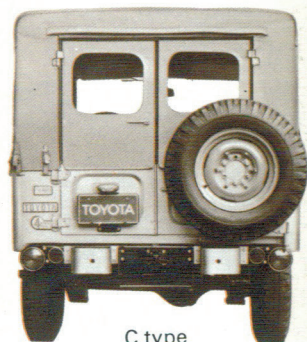

- Roll-up type rear curtain combined with drop-gate; (standard type)
- Roll-up type rear curtain with centre swing-out gate; (B type)
- Canvas and steel centre swing-out gate; (C type)

Standard type

B type

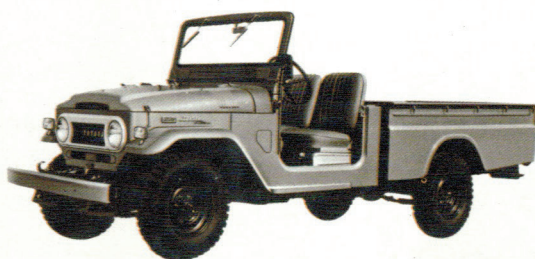

C type

Pickup

Power, stamina and utility in a convenient size—that's the Toyota Land Cruiser Pickup. A husky 6-cylinder 155 HP engine teams up with 4-wheel drive to give it unequalled capability. It'll carry loads in and out of places other pickups can't go. Its large, solid, heavy duty cargo deck lets you haul pipes, logs, lumber, stands up to punishment indefinitely. Put a Toyota Land Cruiser Pickup to work and you'll soon see why it outdoes anything in its class.

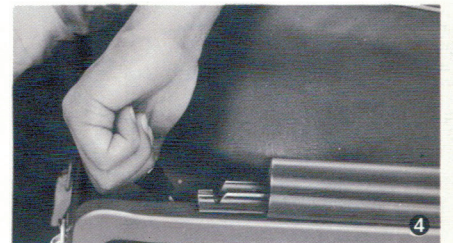

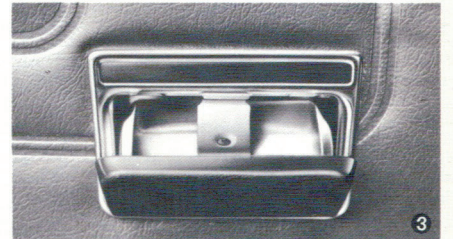

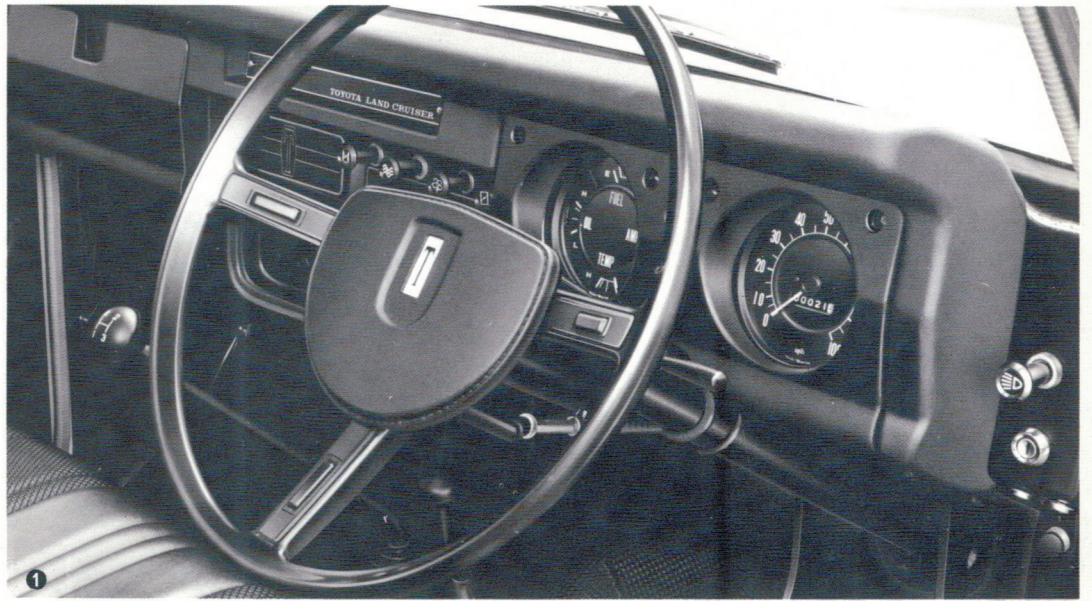

Interior dimensions of cargo deck: Length, 2135 mm. (84.1 in.) Width, 1590 mm. (62.6 in.)

Height, 415 mm. (16.3 in.) ● Rooftop, doors and rear guard frame are detachable.

doors are optional equipment.

Station Wagon

This one has a dual personality—the comfort and luxury of a family fun car and the toughness and durability of a commercial vehicle. Toyota Land Cruiser Station Wagon fills so many functions so well you'll never want to give it a day off. A powerful 6-cylinder 155 HP engine lets this Wagon keep up with anything. Spacious cargo area with flat floor and wide opening tailgate/rear doors makes loading/unloading easier for business or pleasure. *Some outstanding interior features:* (1) Easy-to-operate instrumentation designed for safety (radio, heater/defroster optional). (2) Vinyl upholstered front seats,—complete with seatbelt anchorages. (3) Ashtrays on the rear doors. (4) Front seat adjusts fore and aft 140 mm. (5.5 in.). Power operated rear window controlled by this knob (standard on drop-down tailgate model only).

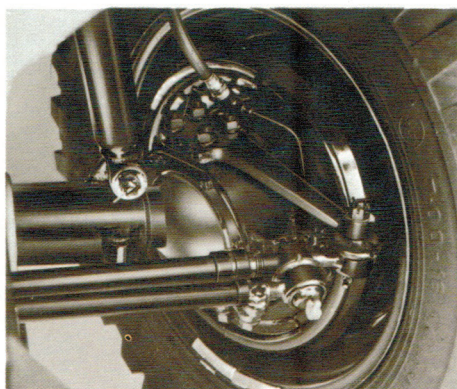

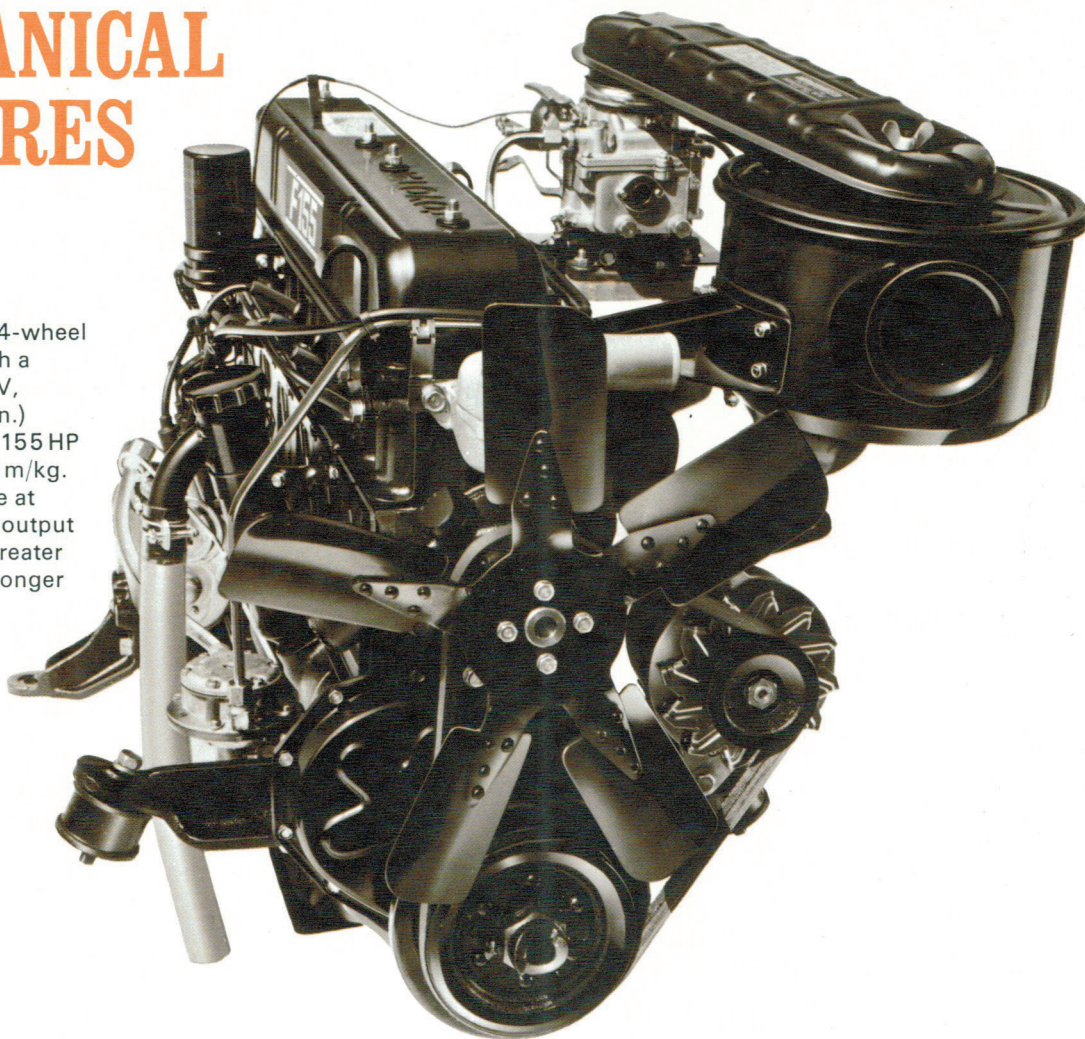

Two kinds of rear door are available—drop-down or swing-out type.

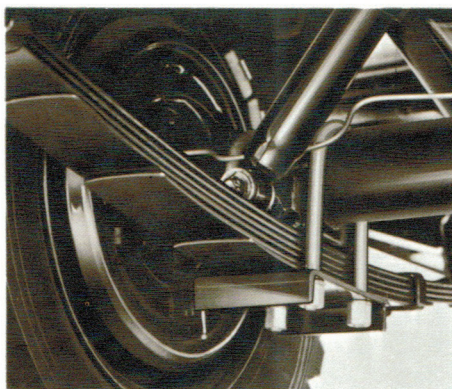

MECHANICAL FEATURES

Durable engine

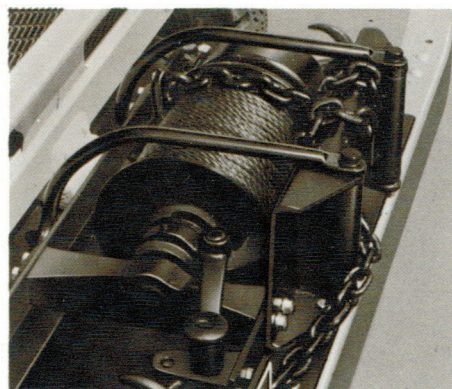

Toyota Land Cruiser 4-wheel drive is equipped with a husky 6-cylinder OHV, 3878 c.c. (236.7 cu.in.) engine that develops 155 HP at 4000 rpm and 31.1 m/kg. (230 ft.lbs.) of torque at 2200 rpm. This high output at slow revs means greater driving comfort and longer engine life.

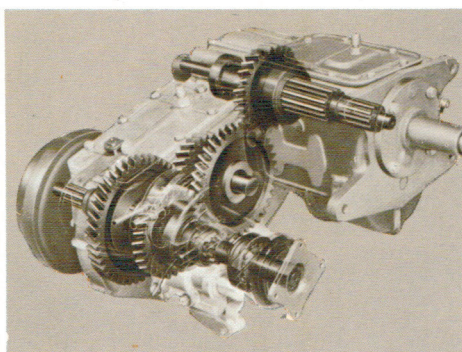

4-wheel drive and steering components withstand the roughest use. Semi-elliptic leaf springs and double-acting shock absorbers give maximum comfort.

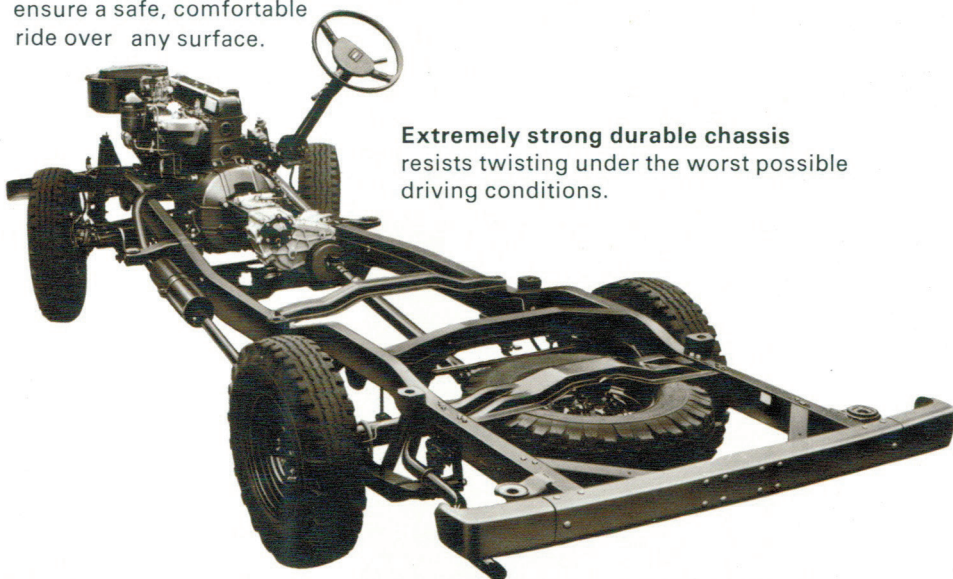

Rear axle is durable, semi-floating type. Leaf springs, shocks and antiroll bar ensure a safe, comfortable ride over any surface.

Powerful winch for any pulling or lifting needs is optional equipment.

2-speed transfer case combined with 3-speed gearbox provides 6 different gear speed ratios. This ideal combination will take the Land Cruiser through any condition or terrain.

Extremely strong durable chassis resists twisting under the worst possible driving conditions.

SPECIFICATIONS

Engine: 6-cylinder in line, OHV, 3,878 c.c. (236.7 cu.in.). Bore, 90 mm (3.54 in.). Stroke, 101.6 mm (4.00 in.). Compression ratio, 7.8 to 1. Maximum horsepower, 155 HP (SAE) at 4,000 rpm. Maximum torque, 31.1 m-kG (230 ft-lb) (SAE) at 2,200 rpm. 12-volt 50 amp. hr. battery. 12-volt 480 watt alternator. Down-draft 2-barrel carburettor with automatic choke. Fuel tank capacity; 70 litres (18.5 US gal.), Station Wagon, 90 litres (23.8 US gal.). Cooling system; Forced circulation by centrifugal pump. Lubrication system; Forced lubrication by gear pump. Water capacity; 15.2 litres (16.1 US qts.). Engine oil capacity; 8.5 litres (9.0 US qts.).

Clutch: Dry single plate with torsion rubbers. Facing diameter, 275 mm (10.8 in.). Facing area, 716 sq.cm. (111.0 sq.in.).

Transmission: 3-speed, 2nd and 3rd gears synchromesh. Gear ratios; 1st, 2.757; 2nd, 1.672; 3rd, 1.000; Reverse, 3.678. Shift lever mounted on steering column or centre floor.

Transfer: 2-speed helical gear sliding type. Ratio; Low, 2.31, High, 1.00.

Front axle: Full-floating, hypoid gear drive. Ratio, 3.70 (4.11 for FJ45B).

Rear axle: Semi-floating, hypoid gear drive. Ratio; 3.70 (4.11 for FJ45PB).

Suspension: Front; Semi-elliptic leaf springs and double-acting hydraulic shock absorbers. Rear; Semi-elliptic leaf springs and double-acting hydraulic shock absorbers.

Brakes: Hydraulic brakes operate on all wheels. Drum diameter; 290 mm (11.4 in.). Lining area; 1,180 sq.cm. (182.9 sq.in.). Parking brake; Mechanical brake operates on propeller shaft.

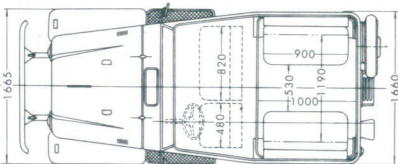

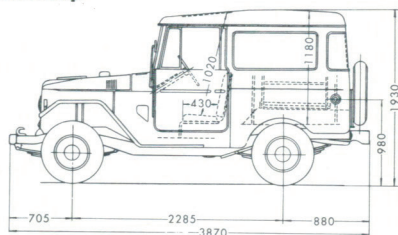

Steering: Worm and sector roller type. Gear ratio; 21:1.

Performance: Maximum speed; 125 km/h (80 mph).

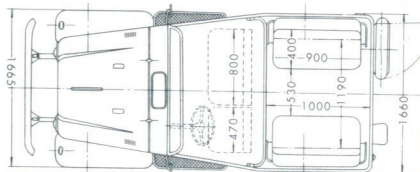

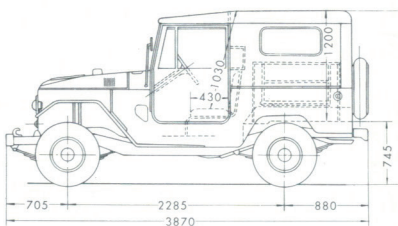

MAJOR ITEMS OF OPTIONAL EQUIPMENT

- Starting handle (not available w/front winch, std. on FJ55V)
- Steel doors (for Canvas Top model)
- Wheel caps (std. on FJ55V)
- Semi-stake and canvas hood for deck (for FJ45PB)
- Vinyl Top (for FJ40)
- Various Types of rear door on Canvas Top
- Inlet fuel strainer
- Fuel tank lock (std. on FJ55V)
- Spare fuel tank
- Pintle hook (except FJ45PB, FJ55V)
- Trailer socket (except FJ45PB, FJ55V)
- Body under-coating (std. on FJ55V)
- Heater/ defroster
- Wind-screen washer
- Alternator 480W (low rev. charging) or 660W
- Seat adjuster (std. on FJ55V, FJ45PB)
- Front seat head restraints
- Addition-

Hardtop

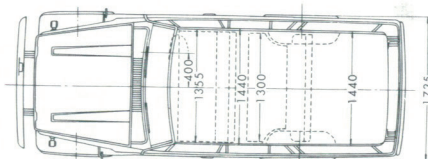

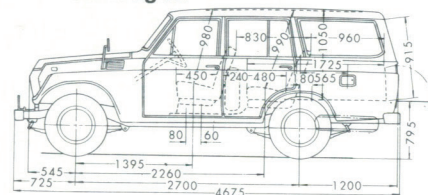

Canvas Top

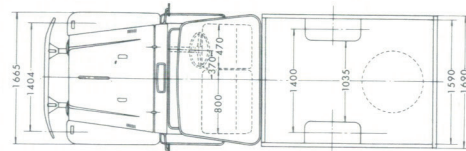

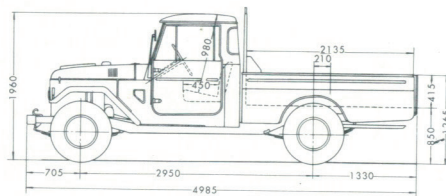

- al parallel or transverse type rear seat
- Seatbelts
- Passenger's assist grip
- Floor mat (std. on FJ55V)
- Fog lamps
- Folding front windshield (for FJ40, FJ43)
- Chrome bumper & grille
- Radio & antenna
- Short wave adapter
- Cigarette lighter
- Variations in tyre size and tread type
- Front-mounted winch
- Hi-power battery (12V., 70 amp. hr.)
- Differential with gear ratio 4.11 (std. on FJ45PB)
- Constant velocity type universal joints

- *4-speed floor shift type gearbox (full synchro) with single speed transfer
- *Brake booster
- *Arm rest
- *Vinyl leatherette covered foam rubber cushioned bench seat
- *Luggage compartment floor mat (*... Optional on FJ55V only)
